CONTACTING CUSTOMER SERVICE

We understand the critical importance of our protective products and are dedicated to Protecting People and Things That Matter®. If you have any questions or concerns about your SKYDEX IsoFit Helmet Protection System, or if you'd like to give us a testimonial about how much you enjoy our product, we'd love to hear from you.

Give us a call toll-free at 1.866.732.7462 or email us at info@skydex.com.

INSTALLATION INSTRUCTIONS

- 1** Loosen and disconnect chin strap, and pull clear of helmet interior.

Standard Pad Layout

- 2** Install *SKYDEX* 8-pad system.

Adjust Side Pads for Optimized Fit

- 3** Tighten dial at rear of liner.

- 4** Insert liner into the helmet, aligning the front brow with the rim of the helmet.

- 5** Rock the liner backwards so that hook material of the top of the liner firmly connects with the loop material of the Crown Pad.

- 6** Loosen dial at rear of liner as needed to fit on head.

INSTRUCTIONS FOR ISOFIT LINER USE

Adjust the forehead band above eyebrow (*1) and the dial and yoke length at back (*2) by changing the two attachment locations on top of liner.

Do not carry helmet by the liner and dial system.

Right-handed users turn the dial clockwise until desired fit and and loosen by turning counter-clockwise.

Left-handed users turn the dial continuously counterclockwise until the lace tightens for desired fit and loosen by turning clockwise.

Do not overtighten the dial. System designed for comfort and fit only. Once initially adjusting fit to your head shape, only minor adjustments are needed.

TWO YEAR LIMITED WARRANTY

1. SKYDEX warrants that all products shall be free from defects in material or workmanship under normal use and maintenance for a period of two years (the "Warranty Period,") This warranty does not cover damage caused by vandalism, improper storage, abuse or misuse, or damage or defects caused by improper maintenance or installation.

2. This warrant only applies to products that have been paid in full by Purchaser in accordance with the agreed upon SKYDEX terms of sale. No warranty extended by SKYDEX shall apply to any products which have been sold as "used" or have been modified, altered, maintained, or repaired by persons other than those authorized or approved by SKYDEX. Purchaser's exclusive remedy hereunder shall be repair or replacement of goods, at the determination of SKYDEX. Repairs or replacements shall not interrupt or prolong the term of the warranty. The warranty is made on condition that written notice of any defect be given to SKYDEX within 30 days of discovery. Once written notification is received and Purchaser's claim is determined valid under terms of this warranty, SKYDEX has 30 days in which to remedy the defective material. In no event shall SKYDEX be liable for incidental or consequential damages, even if it has been advised of the likelihood of their existence.

3. THIS IS THE EXCLUSIVE WARRANTY. WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ARISING FROM A COURSE OF DEALING OR USAGE, WHETHER EXPRESS OR IMPLIED, ARE SPECIFICALLY DISCLAIMED.

TO INITIATE A WARRANTY CLAIM:

Email info@skydex.com your proof of purchase and any images/videos or information related to the warranty claim.

Your request will be reviewed internally, and if accepted, you will be contacted by our customer service department regarding next steps and to receive an RMA number.

SKYDEX is not responsible for items returned without an RMA number and proper documentation.
